THE FIGHT NIGHT

Thanks to all who attended and supported the recent Fight Night in St. Marks GAA Club. It was a great success with some excellent fighting from Juniors and seniors alike.

We are always looking for help and would encourage parents to become involved. It can be very rewarding to help out, holding pads for instance, while your children train gives them great encouragement. If your Son or Daughter compete, why not think about officiating at events, time keeping, score keeping or sign up to do a referee course, become involved in fund-raising, everyone has their own set of skills please bring what you can do to help. If you have a business you can place an advertisement free in our newsletter, just provide the information.

If you want to include anything in next months newsletter please tell Tony or Declan or e-mail to: webmaster@tallaghtmartialarts.com

TMA_NEWS

Shane Corcoran and his wife were blessed with the birth of their 4th child, baby Dylan arrived weighing in at 11 pounds 15 oz. Congratulations!

Marley park was the venue for a 10 K Run on Saturday 17th April in aid of the Charity CRY . It was very well attended by TMA members who between them raised over €500. The background to the event was the sudden death last year of 16yr old Carl Malone brother of well known martial arts fighter Shane. His mother, Sandra spoke of her memories of Carl and thanked all the runners and walkers for their support.

Winner of the Austrian classic was Eyjafjallajoekull. Many of our fighters were disappointed at not getting to Austria due to the grounding of flights because of the volcano in Iceland. Many reports of fighters having to do battle with Ice Cream and BBQ's in the good Irish weather instead.
